REPORT ON MY MARCH 8th SALE

May I report briefly on my Auction Sale of March 8th at the Parker House, Boston.

Approximately one thousand items were disposed of at favorable prices. The attendance compared favorably with many auctions that I have attended in New York City. I want to express my thanks to the many customers who have sent me pleasing testimonial letters, and to assure them that I will endeavor to warrant a continuance of their patronage.

May I further state that the customers' decision as to condition, etc., on any coins I may purchase for them, will be accepted, and credit given, if returned to me within three days from receipt thereof. Do not hesitate to return coins if classification does not meet with your expectation. If you have a grievance, tell me about it, otherwise I remain in ignorance and cannot make proper adjustments.

I wish also to take this opportunity to thank my many customers for their prompt remittances on auction lots. At this time, all payments for my March Sale have been received. Considering that many sales were shipped to the Pacific Coast, it is truly remarkable. This helps me to make prompt settlement with owners of the coins, helps my bookkeeping department and saves "Grantee" a lot of worry, etc. Again I thank you.

My second sale at the historic

PARKER HOUSE—BOSTON, MASS.

Will be held on

TUESDAY, APRIL 26, 1938
At 1 P. M. Sharp

Lots on exhibition morning of the sale, from 10 o'clock to 12 noon.

You will realize after looking thru the catalogue that this will be no ordinary sale

The collection of Half Cents, Large Cents, Proof Two Cent Pieces, Three Cent Silver and Nickel and the collection of half dollars, as purchased by me from Mr. Alton Bailey of Manchester, Conn. is one that any one would be proud of.

The many rarities in the large cents are seldom offered. At a recent showing of these in New York City, I was surprised at the interest shown, and the voluntary promises to attend this sale.

Another collection of large cents as from "C. M." in this catalogue is outstanding. Charles Mathewson. President of the Coin Club of Rhode Island is one of our oldest Numismatists. He knows Cents, and his contribution to this sale should not be overlooked.

PRESENTATION GOVERNMENT SHIELD

OF

UNITED STATES FRACTIONAL CURRENCY

IN ORIGINAL FRAME

141A The following inscription, signed by F. E. SPINNER, appears on the bottom of the Shield.

31 50

"Presented to Mrs. D. M. –, December 25, 1874, by her friend and admirer, F. E. Spinner."

Was there a romance connected with this Shield? I have purposely omitted the name of the lady to whom the presentation was made. The scrip retains its original bright colors. The Shield contains the autographed pieces and the rare Grant and Sherman with both the green and red backs. A very interesting and rare item. Will bring a good price.

NOW READY

THE STANDARD CATALOGUE OF THE COINS OF THE TWENTIETH CENTURY

EDITED BY WAYTE RAYMOND AND STUART MOSHER

The most important numismatic publication of modern times. The gold, silver and minor coins of nearly two hundred countries, their colonies and dependencies are illustrated, and in each instance the average price among collectors and dealers is given.

This important book has been compiled from statistics gathered over a long period of years and will represent the first serious attempt to catalogue the coins of the twentieth century. Whenever possible the exact dates of the various denominations are given, as also are the mints at which the coins were struck. Hundreds of coins that have never been recorded or illustrated will appear in this publication.

The illustrations are all in half-tone and only the finest material and workmanship is being used in the production of the book.
